

JJ DiGeronimo

AUTHOR | SPEAKER | PODCASTER

@JJDIGERONIMO

Two-time award-winning author JJ DiGeronimo helps women raise their frequencies and empower their future impact through tried-and-tested strategies, mindfulness, and energetic practices. Formerly a leading woman in the tech industry, she now passionately strives to help women gain more seats at more tables by sharing the key findings that have helped her and countless others illuminate a path forward. Featured in publications such as Forbes, The Wall Street Journal, and Thrive Global, DiGeronimo is regularly an invited speaker for events and conferences. Her work includes three books, two podcasts, two global online communities, and in-person experiences.

SEEKING

74 Key Findings to Raise Your Energy, Sidestep Your Self-Doubts, and Align with Your Life's Work

"Seeking is an essential guide for today's modern and accomplished woman. If you have a desire for "more" in your life, but you're not sure what the "more" is or how to create it, JJ's work will transform you.

She offers the wisdom and tools to uncover your "more" and the confidence to make it a reality!"

— Amy Franko Entrepreneur, Author & Independent Board Director, AmyFranko.com

If you are asking yourself, "What is this all for?", or "Now what?", or "Is there more?", then you are ready to embark on your next step of self-discovery.

JJ DiGeronimo knows these feelings all too well. In *Seeking: 74 Key Findings to Raise Your Energy, Sidestep Your Self-Doubts, and Align with Your Life's Work*, JJ unpacks the strategies that helped her infuse more purpose and meaning into her work and life. With short chapters, relevant stories, and specific questions, these pages create a space where you too can evaluate your choices, dig through your stories, embrace your gifts, and elevate your energy.

PODCAST, BOOK CLUB OR PANEL QUESTIONS

- What should people do when they start asking questions like "What is this all for?", or "Now what?", or "Is there more?"
- What stories are you referring to when you say "working on releasing stories within?"
- How do you define "Your Life's work?"
- How can one shift from seeking outward to seeking inward?
- What do you mean by energy or frequency when you are referring your life's path?
- Why do you think Mindfulness has changed your life?
- Why do you think most people have a hard time with Mindfulness?
- How do you handle Self-Doubt now with this new insight and awareness?
- Why do you love and promote Solo Trips?
- Besides being a successful businesswoman and award-winning book writer, you are also a lightworker. What does this mean?

Are you plodding along stuck in the same old patterns? Has your energy up and left? Are you overworked and overcommitted? Do you let fear keep you from taking the very risk that could energize your life? JJ DiGeronimo realized that during her pursuit to achieve society's plan for women she was led astray from her best self. She then initiated a life evaluation that effectively enabled her to recalculate her course. In this must-read book, JJ shares her story and the stories of many women who have worked through their plan to have it ALL!
